

Love Hurts

Love Hurts contains four erotically charged novellas about men who love men. From the first blush of love to rekindling the passion in a long term relationship, there's a little something for everyone between the covers of this anthology. The following stories are included: Furtive Liaison, GWM Wanted, Precious Ache, and Screwed. Furtive Liaison begins with a steamy tryst in an adult bookstore and leads to a relationship riddled with complications. Love may not be enough to overcome the intrusion of reality or the secrets one of the men harbors. GWM Wanted finds a couple who are in a long term relationship struggling to rekindle the flames of passion. A threesome with a sexy stranger could be their saving grace or their last hurrah. In Precious Ache, a man believes falling in love with an unattainable guy was his biggest mistake. Not being able to resist his best friend's tempting lips may prove to be much worse. Screwed catches up with a closeted couple on the verge of losing everything after one of them is publicly outed. The remaining man must choose between stepping out into the light and facing the consequences or being left behind when his lover moves on.
