

Cuffed By My Billionaire (BDSM and Public Sex) (My Bossy Billionaire Book 3)

My Bossy Billionaire, Book 3, Cuffed By My Billionaire After a month of sex games with her billionaire boss, curvy Sasha comes into work to be instantly handcuffed and ball gagged. She is hidden under her boss's desk while he meets with people, then punishes her for not being a good girl. What will he do at the business meeting he invites her to? Will it be good news, or bad? Warning: This 6,200 word story contains graphic imagery and adult language. It is ONLY FOR MATURE READERS 18 AND OVER with an open mind towards billionaires, BDSM, and sensual love. Excerpt: I admired his ability to stay completely focused on his conversation with Miss Lent. The slightest tell would raise her suspicions. I didn't exactly want him to get caught, but I did want to make him work for it, at least. I did my best to take his cock into my mouth without using my hands. Working my mouth up his shaft, I worked my tongue around the head of his large cock and curled him into my wet and waiting mouth. I smiled from my hidden place beneath the desk when his foot pushed hard against me, and I saw his hand dip below the desk to grasp the chair. I always loved seeing my effect on him. I pictured his face looking just a bit off as he felt my lips around the head of his cock, sucking the precum from inside him, and slowly feeling him stretch my lips around his entire girth. My kisses had made him swell, and his skin felt so warm against my lips. I licked the tip and let my saliva run all down his shaft. The feeling of his cock between my lips always made my sweet little mouth water so much.
