

Golfology-- Daily Inspiration from the Fairway and the Rough

For many years, Loretta Marra has played golf, studied the game and sought knowledge from books, writers, golf professionals and the game itself. In Golfology she invites us to walk the fairways and share this wisdom --in brief,delightful motivating vignettes. Day by day, well be inspired with over 200 different golf-related themes from history at St. Andrews to the present.Well find a common denominator in golf friendships from misery to happiness. Well visualize our shots and take pride in making them. Well walk the undulating fairways with faith and battle the high grasses of the rough with perseverance. Well listen to that inner voice as well as the notes of a blackbird. Well smell the fragrance of honeysuckle and pine cones along the way. In Golfology we will also find a dozen recipes to over sixty golf tips and instructions. And well review some rules too. Written with passion and humor, Golfology invites us to tee it up with a fresh eye and eager heart.
