

Climax

This is an adult age play story about the love between an age play couple. Nina is a Midwest sweetheart. But as a recent college graduate, her forthcoming summer employment will teach her how much she still has to learn about herself, about others, about love and about life. With a head-full of fantasy and a heart-full of secrets, Nina travels up to Michigan completely unaware of the life-changing events to follow. For eight weeks, she will dance, sing, perform, jump off waterfalls, gaze up at stars, daydream of imminent fetish nights, take road trips, have sex in a cabin, have sex in a kitchen, have sex in the sand and sex in the water. Bringing along a suitcase of secrets, her diapers will crinkle. Her heart will pound faster and faster. She'll lose her breath and then catch it again. Her legs will raise up. Her thighs will part. She'll spend time on her knees. And maybe, if the friend she meets on that golf course is right, just maybe she'll fall in love during her summer in Climax. This is adult material and therefore not intended for minors.
