

Marijuana and the Bible

Jeff Brown , the author for this work, joined the Ethiopian Zion Coptic Church around 1975. The church was at the pinnacle of its power and fame around 1980. Sixty Minutes and BBC did news stories ; Life, Omni, Science, Rolling Stone, and other magazines did articles; numerous newspaper articles were also written. As of 2011 the church as an organized entity no longer exist. The church used marijuana as its holy Eucharist and taught that marijuana was the sacrament that Christ shared with his disciples. Marijuana is the mystical body and blood of Jes-us which allows a member to see and know the living God or God in man. Jeff uses biblical passages and historical facts to show why the church believed what it did and why Jeff continues to believe.
