

A Soldiers Secret: The Incredible True Story of Sarah Edmonds, a Civil War Hero

Historical fiction at its best, this novel by bestselling author Marissa Moss tells the story of Sarah Emma Edmonds, who masqueraded as a man named Frank Thompson during the Civil War. Her adventures include serving as a nurse on the battlefield and spying for the Union Army, and being captured by (and escaping from) the Confederates. The novel is narrated by Sarah, offering readers an in-depth look not only at the Civil War but also at her journey to self-discovery as she grapples with living a lie and falling in love with one of her fellow soldiers. Using historical materials to build the foundation of the story, Moss has crafted a captivating novel for the YA audience. The book includes a Civil War timeline, archival photos, a glossary of names, a detailed note on sources, and a new readers guide.
