

## Blackstones Police Manual: Volume 2: Evidence and Procedure 2005 (Blackstones Police Manuals)

Blackstones Police Manuals are the leading texts on police law. Endorsed by CENTREX, they are the only official reference work for police officers preparing for promotion examinations and for probationary officers. They cover all aspects of police law and procedure from a police officers perspective. The 2005 editions have been extensively revised to incorporate all legislative developments such as the Criminal Justice Act 2003, Sexual Offences Act 2003, and the Anti-Social Behaviour Act 2003, and also include a number of case decisions and changes in policy. This manual focuses on Evidence and Procedure and covers a wide variety of topics in this area.
