

## FaceValue: Bullies, the Bullied, and their Stories

Are you ready for an adventure? FaceValue shares a fictitious story about bullies and the bullied from birth to adulthood. It also presents true stories from many individuals who were former bullies and victims of bullies. The author also shares his story of being bullied and becoming a bully. This book will help teens perceive bullying from a parents perspective, and assist adults in relating to children and teens in regards to bullying. FaceValue will aid all its readers to understand how bullying influences an individual over a lifetime.
