

## Riptide Rentboys: The 2012 Collection

Satisfaction guaranteed. Sex for hire is among our naughtiest fantasies, be it with a \$10 street rat or a \$1,000-an-hour elite escort. As long as there's been sex, there's been sex for sale, and this collection explores the depth and breadth of the characters and the worlds in which you can find it. In *Where You Hurt the Most*, a high-class escort and scarred young man find unexpected familiar ground. They soon learn that while it's true that love can't heal all wounds, it is the surest balm for where you hurt the most. In *Priceless*, a student hooking to pay tuition is purchased as a secret birthday present for his intellectual idol. The attraction is mutual, but how do you build a relationship on a foundation of lies? In *Cruce de Caminos*, desperation drives a street kid to a critical crossroads. Will he make the right decision, or will the floodwaters bound for New Orleans sweep him away? In *Necessity's Door*, an openly gay detective goes undercover as a prostitute to catch a crime boss with a taste for pretty young rentboys. But the op is fraught with difficulties, and there's much more at stake than a simple case. (Publishers note: These titles contain material some may find objectionable, including drug use, dubious consent, non-consent, violence, and explicit male/male sex.)
