

Three Way: Erotic Adventures

Party of three? In *Three-Way*, 21 of the very best erotica writers offer steamy and surprising variations on the menage a trois, erotica readers most often named favorite sexual fantasy. Editor Alison Tyler has gathered a thrilling variety of scenarios that are playful, sensuous, and dangerously explicit. Stories include *The Scarless* by Marcelle Perks, an edgy story about an X-rated movie shoot starring multiple men and a lone woman, and *Third Party* by Dawn M. Pares, where a couple pick up a third at a bar, as they do every so often, only this time their new friend is not quite what he seems. *Three* is definitely a charm in this adventurous anthology that begins with Tyler's own true confession of her own first three way at a naughty nineteen years old. In her own words, *Three* means more of everything. Maybe I am greedy but, when it comes to sex, I like more of everything. More fingers. More tongues. More limbs. More tangling and wrestling on the mattress. Lucky for readers, she is not the only one and has lovingly selected salacious stories such as Dante Davidsons super sexy 1-900-FANTASY, and the masterful Thomas s. Roches scorching *Two Guys and a Girl*, as well as the orgasmic orgy featured in Rebecca Hendersons *Circle of Friends*. Alison Tyler's *Three Way*, serves up plenty of great sex, proving true the adage that good things come in threes.
