

Balling The Babysitter

Stranded by her parents in a foreign boarding school since she was ten, Kathy was intended to be completely sheltered, until it was time for her parents plans for her to come to fruition. All she had to do was be a good girl and meekly do what she was told to do. And she WAS completely sheltered. But when she turned eighteen, she didnt meekly do what she was told to do. Instead she went to the college of her choice, to find out what the gaps in her education were. Including the gaps in her sexual education. Warning: This book contains graphic descriptions of sexual acts and is for adults only. It is not appropriate for those under the age of eighteen.
