Its 1875 and love is starting to blossom in the small hillside mining town of Black Hills! This series is about the four young women from the East Coast looking for love in the beautiful town of South Dakota. The stories are about their challenges, their test of faith, and their triumphs of discovering true love and real men. Meet Clara, she started living with her mean grandmother since she was ten when her parents died in a fire. She wanted to escape the grasp of her grandmother, but she knows that she only has very few choices at hand. Her best friend Lindsay tells her that she must be a mail order bride to get out of town. She takes a suitcase and big leap of faith and agrees to marry a businessman she has been corresponded with briefly. What type of business is Sam running he forgot to mention? What deadly secrets our Sam and his three brothers are hiding from her? Did she finally find the man who will love her or just another tyrant? So hold your breaths and learn about Clara's journey as she goes on a long trip to the Wild West Frontier and meet her perfect beau. Who would that be? Come on now and let's find out together!....a story of hope, fear, romance, suspense and true love....While this book is part of a romance series, it can definitely be read as a standalone book.
