

The Sidhe: Wisdom from the Celtic Otherworld

John Matthews combines a life of scholarship with an extraordinary familiarity with the inner and spiritual worlds that make up the non-physical side of our worlds ecology. Nowhere is this combination so well displayed as in this book, which also showcases his talents as a writer and teller of tales. This creates a work that is filled with a unique wisdom that is readily accessible to any reader. I cannot recommend it highly enough. David Spangler - Author of Subtle Worlds, Everyday Miracles, Blessing: The Art and the Practice, and others
