

Does Anybody Know What Planet My Parents Are From? (Early Teen Devotionals)

If Parents Are So Smart, Why Cant They Set the Clock on the VCR? Deep down inside you love them. Most days you even like them. But you and your parents see things differently sometimes it seems they landed here from some alien planet. Its all part of Gods plan. Growing up means getting ready to be on your own. Youre caught. You still depend on your family, but your family isnt always around. You fend for yourself with friends, with strangers, and at school. But sometimes your family treats you like youre stuck in a stroller. Growing up isnt an excuse to run your own life. Its your chance to follow Christ for yourself. You need to figure out how to get along at home and on your own. Does Anybody Know What Planet My Parents Are From? explains how to Make friends with your family Walk smart when your parents arent around Stick close to Jesus even when nobodys looking.
