

Ride em Hard (The Buckle Bunnies Series - Book 3)

This night is going to change the meaning of best friends forever! When Shawna Bartons best friend and barrel racer Britt Miles comes to town, she cant wait to have a girls night out. The two havent seen each other in years and the usually shy, reserved Shawna loves hearing about her friends exploits, especially her most recent sexual encounter with handsome bull rider Clay Winters. Things take a sexy turn after they run into the man himself a little while later. When he asks them to go dancing, the two women cant refuse and before Shawna knows it, she forgets about her inhibitions and is out there bumping and grinding on the floor with Britt and Clay. The night gets even more interesting when Clay suggests they take their little threesome back to his place for the kind of ride only a cowboy knows how to give a girl - or in this case, two of them!
