

She Wants To Watch

My wife's friend had a sweet job - house sitting for a wealthy family. She was bored being all alone in the big house and invited us over for the day. I had no idea what she and my wife had cooked up, but it wasn't hard to convince me to go along with it. My wife wanted to watch me with her friend, and the action only got hotter from there. By the end of the day, I was happy, tired, and very much in love with my wife. There is much more than just company, and watching can be fun.
