

Professional Table Tennis Coaches Handbook

Long-time professional table tennis coach and USA Table Tennis Hall of Famer Larry Hodges shows how you can become a professional table tennis coach. This is not a manual on how to coach; its a manual on how to make a living as a coach - how to maximize income, getting a facility and equipment, recruiting and retaining students, teaching classes, how to set up and run a junior program, private coaching, a drills library, sample flyers to promote your coaching, and more.
