

MyEducationLab with Pearson eText -- Standalone Access Card -- for Educational Psychology (myeducationlab (Access Codes))

The best-selling Educational Psychology: Developing Learners is known for its exceptionally clear and engaging writing, its in-depth focus on learning, and its extensive concrete applications. Its unique approach helps readers understand concepts by encouraging them to examine their own learning and then showing them how to apply these concepts as teachers. The book concentrates on core concepts and principles and gives readers an in-depth understanding of the central ideas of educational psychology helping them better understand children and adolescents.

More than any other educational psychology book, this book moves seamlessly between theory and applications, features the most extensive and integrated coverage of diversity, and includes innumerable concrete examples to help readers connect educational psychology to real children and classrooms.
