

Paragliding Freedom

This is not a beginners book that teaches you how to fly a paraglider. This book is aimed at the newly qualified paraglider pilot or the intermediate pilot who has been flying paragliders for some time but hasn't progressed as much as they would have liked to. If that describes you, and you have a desire to fly higher or further, or simply to stay in the air longer then you may find this book interesting. Paragliding Freedom gets to grips with the core knowledge and skills that are essential for any new or intermediate pilot who wants to improve their flying performance. Key to this is a collection of flying exercises and a simple terms explanation of speed to fly theory. The book is organised into the following sections: Part 1 - Paragliding Equipment The Canopy The Harness Paragliding Instruments Paragliding Clothing Paragliding Safety Part 2 - Elementary Flying Skills Preparing for flight Launching In the air Landing Part 3 - Improving Your Flying Skills The flying exercises Using your imagination Flying new sites Flying weather Speed to fly Dealing with emergencies Rapid descent techniques SIV courses All you need to do now is scroll up and click buy now to start reading right away!
