

The Curious Bookshop (The Curious Bookshop Series Book 1)

Read the first story in this exciting YA series by best-selling author, Jennifer Chambers. Shy, introverted Anna lives for books. She just didn't know that she would have to actually live IN one. In the first book of The Curious Bookshop Series, the lure of a strange, crowded bookstore draws Anna down a dark alley and into an adventure the likes of which she never expected. When she set out for the school field trip that day, she assumed it would be another historical site followed by sightseeing. She does not account for the strange old lady behind the counter of the bookstore- or what the old lady would give her. And Anna certainly has a hard time when she has to solve a mystery while in the body of Queen Elizabeth the First.
