

The How Rude! Handbook of Friendship & Dating Manners for Teens: Surviving the Social Scene (How Rude Handbooks for Teens)

Is there a proper way to make new friends? Is teasing always rude? What can you do about friendship problems? How can you show a girl (or guy) that you like her (or him)? What's the best way to ask someone out ... and who pays for the date? This book answers these questions and many more. Along the way, teens learn the basics of polite behavior with friends and more-than-friends and laugh out loud while learning.
