

The Dragon Throne

Edmund and Herbert, newly made knights, return to England expecting to revel in the pleasure of being home. Instead, scheming Prince John has a new task for the weary Crusaders; they are to escort two young women on a pilgrimage to Rome, a journey that will take them through the perilous Alps, controlled by bands of brigands. And once in Rome, even greater hazards await. Suspenseful, exciting, and filled with colorful details of 12th century Europe, this final volume of the trilogy that began with *The Book of the Lion* will thrill readers.
