

Baileys Filthy Gangbang: Taboo Erotica

Though my TABOO stories are about pushing the limits and breaking all the rules, it seems there are just some guidelines that we all have to follow. Of course, when Amazon banned my original titles for being too hot and controversial, I wondered if I could simply seduce my way out of trouble *like most of my characters do! But alas, I have been forced to submit to their authority (some of my characters like that too!) and provide only very vague titles and descriptions for you, the reader. Believe me, Baileys Filthy Gangbang was not my first choice for this book. But dont worry! This erotic story still features all the good stuff inside naughty, kinky, forbidden relationships that explore the taboo of sexy characters who live and play together. Some readers may find this material offensive, so consider yourself warned... Bailey only has to do two things in order to earn her keep with the man in charge clean the house and take care of his guests but when this naughty girl wants to earn his attention instead, she combines the tasks in order to take control. Soon, she is stripping both his brothers down in order to do the laundry and theyre both up for the task of taking her in ways that they shouldnt. Now, its his turn to get dirty with his darling as he joins Bailey and his brothers for a filthy family affair. J.C.
