

With His Dying Breath (A JJ Matthews Murder Mystery Series Book 1)

Who killed one of Georgias wealthiest citizens? With His Dying Breath has all the elements of a great cozy mystery! Murder of a prominent, wealthy real estate tycoon, the arrest of his younger, beautiful, jet-setting wife of three years, and a seventeen-year-old female sleuth who is about to fall in love. Mix that up with a cool female detective and a down to earth male detective and throw in a gossipy beauty shop in a small, Southern town with lots of secrets and youve got River Town in central Georgia. The cherry blossoms are in full bloom, but underneath this canopy of pink, residents are tormented by someone behind a veil of deception. Blake Brockton is found lying dead on the threshold of his Colonial mansion. With his dying breath in his frantic 9-1-1 call, he accused Sammi, his much younger, beautiful wife. JJ Matthews, a high school junior, is positive Sammi is not guilty and is determined to prove her mentors innocence. When others are randomly killed off, even Detective Hilda Marabell has her doubts. But the evidence continues to build, so is she guilty or not? JJ has her hands full trying to solve the puzzle while a romance buds in her own life. Will she find the murderer before another victim dies? Who will win JJs heart at the end? These are characters you wont soon forget or who may live just next door!
