

## Coral Moon (Kanner Lake Series Book 2)

The figure remained still as stone. Leslie couldn't even detect a breath. Spider fingers teased the back of her neck. Leslie's feet rooted to the pavement. She dropped her gaze to the driveway, seeking ... what? Spatters of blood? Footprints? She saw nothing. Honed through her recent coverage of crime scene evidence, the testimony at last month's trial, the reporter in Leslie spewed warnings: Notice everything, touch nothing... Leslie Williams hurries out to her car on a typical workday morning---and discovers a dead body inside. Why was the corpse left for her to find? And what is the meaning of the message pinned to its chest? In Coral Moon, the senseless murder of a beloved Kanner Lake citizen spirals the small Idaho town into a terrifying glimpse of spiritual forces beyond our world. What appears true seems impossible. Or is it? Coral Moon is book #2 in the Kanner Lake Series. Also available are Violet Dawn (book 1), Crimson Eve (book 3), and Amber Morn (book 4).
