

The Anal Sex Portal: Self Penetration (Sexy Sci-Fi Book 1)

Using newly discovered portal technology a scientist has drunken anal sex... with himself. A first time anal story with a twist - the person giving and receiving are one and the same! Designed for faster than light travel and yet surprisingly suitable for auto-anal insertion he finds himself lost in the uniquely weird yet pleasurable experience. Yet this is experimental and dangerous technology and after bugging himself senseless things take a sinister turn... Will this first time go at self-sodomy prove to be his last? This is a tale so unique and fascinating it is sure to satisfy all anal tastes - be they straight or gay. Regardless of where your tastes do lay the question is... would you have anal sex with yourself if given the chance?
