

Daughter of Camelot (Empire of Shadows Book 1)

Raised in the shadow of a fort dedicated to training Knights of the Round Table, Deirdre thirsts for adventure. Instead, at 14, she is sent to court to learn the etiquette and talents of a young woman. Court life, however, is more fraught with danger than she expected, and Deirdre finds herself entangled in a deadly conspiracy that stretches deep into the very heart of Camelot. All Deirdre thought she knew and believed in loyalty, love, bravery is challenged when she embarks on a quest to defy Fate and save the King. Filled with terrific suspense and budding romance, Daughter of Camelot is a fast paced adventure set against the turmoil at the end of the Arthurian era.
